**NASSAU COUNTY  
VILLAGE OFFICIALS  
ASSOCIATION**

The Nassau County Village Officials Association, comprising all of Nassau County's 64 villages with 450,000 residents, was created in 1925 as a not-for-profit organization for encouraging and stimulating cooperation among the member villages for their mutual benefit and welfare.

To this end, the NCVOA is dedicated to providing village officials with a forum for exchanging ideas and experiences in the administration of their municipal duties; developing educational programs and conferences to assist village officials with implementing their civic responsibilities; studying and discussing various activities and actions that will benefit the public safety, health and welfare of our member villages governed by these officials; and investigating and discussing the most efficient means and methods of village government.
